Here is a list of the January Site Briefings with Sam Coleman (set up for Wednesdays from 2:00 - 3:30 p.m. & Thursdays from 3:00 - 4:30 p.m.) These meetings will be in Sam's conference room. RPMs need to have their critical path schedule, 1-page fact sheet, and other necessary information. Charles mentioned that he wanted the RPMs to add the site team to these briefings. Please pass on to your RPMs.
